**PARTNERSHIPS FOR LEARNING**

NEVO is a partnership made up of Department for Education and Child Development (DECD) and non-DECD secondary schools, which provide a wide range of Vocational Education and Training (VET) courses to Year 10, 11 and 12 students in North East Adelaide. The job-related courses will increase pathway options for students through the provision of VET choices linked to the Industry Pathways Program.

In collaboration with the North East Trade School for the Future, NEVO provides curriculum and learning choices, which support all students in these schools to achieve the SACE and to provide pathways, which lead all students to further education, training and/or employment.

NEVO VET courses are hosted by schools and Registered Training Organisations (RTO’s) and are available for students from DECD and non DECD schools to enrol in. Students stay enrolled at their Home School, and attend the Host School or RTO for their NEVO VET course.

**WHAT ARE THE BENEFITS OF CHOOSING A NEVO VET COURSE?**

- Gaining a nationally – recognised qualification while completing your SACE.
- Getting a Head start in your chosen career.
- Making your senior school study more relevant and interesting.
- Providing opportunities to learn ‘on the job’ through workplace learning.
- Gaining the skills and knowledge that employers look for.
- Providing pathways into apprenticeships, traineeships (including School Based Apprenticeships and Traineeships) further education and training and direct employment.

Upon completion of a NEVO VET Course, students wishing to continue their training pathway can do so through:

- A School-Based Apprenticeship: Only DECD School students can meet with the Apprenticeship Broker to discuss their options. For more information please visit [www.nevo.sa.edu.au](http://www.nevo.sa.edu.au) (under School-Based Apprenticeships)
- The Training Guarantee for SACE Students (TGSS): SACE students can undertake VET training at an approved Registered Training Organisation (RTO) in certain qualifications, and have a guaranteed training place after completing SACE to finish the qualification they have started. For more information, speak to your VET Coordinator about completing an application Education and Training Plan and visit [www.skills.sa.gov.au](http://www.skills.sa.gov.au)

**CAN IT COUNT TOWARDS SACE?**

The flexibility of the SACE enables students to include a significant amount of VET in their SACE studies. The SACE credit information is shown in each VET Course. Please refer to the information in this brochure and also on our website ([www.nevo.sa.edu.au](http://www.nevo.sa.edu.au)) under NEVO VET Courses. Please also speak to your VET Coordinator for more information about VET in the SACE, or visit the SACE Board website: [www.sace.sa.edu.au/subjects/recognised-learning/vet-vocational-education-and-training](http://www.sace.sa.edu.au/subjects/recognised-learning/vet-vocational-education-and-training).

**WILL I NEED TO DO SOME WORKPLACE LEARNING AS PART OF MY VET COURSE?**

Many VET courses require students to undertake Structured Workplace Learning (SWL). This involves learning opportunities related to your VET course in a real or simulated workplace. These placements provide on-the-job training and mentoring to develop your technical and employability skills. SWL also provides opportunities for on-the-job assessment as part of your VET course. Before participating in workplace learning you will need to complete a workplace learning agreement form, which needs to be signed by your Home School Principal, Care Givers, yourself and the workplace employer.

**HOW DO I APPLY FOR A NEVO VET COURSE?**

**Step 1** – Read the information in this brochure.

**Step 2** – Read the detailed VET Course information for the course/s you are interested in and encourage your caregivers to read this too. This information is available for each course on our website ([www.nevo.sa.edu.au](http://www.nevo.sa.edu.au)) under NEVO – VET Courses.

**Step 3** – Download and fill in an Expression of Interest Form from the website ([www.nevo.sa.edu.au](http://www.nevo.sa.edu.au)). This form needs to be forwarded to the VET Coordinator for an interview appointment.

**Step 4** – At your interview you will be provided with all the information and an NEVO Enrolment Form. Which needs to be sign by your caregivers, yourself and VET Coordinator. This will then be forwarded to the Host School for approval of acceptance. Selection for entry to NEVO VET Courses will be based on the following principles:

- Demonstrate capacity for independent learning and meeting the requirements of the course.
- Identified relevant interest and/or experience in the course.

**Step 5** – Applicants will be advised of the enrolment outcome term 4.

**Step 6** – Applicant may need some further subject counselling at their Home school to ensure that the VET Course is included in their SACE and timetable.

Will I have to pay to participate in a NEVO VET Course?

All students will need to speak to your Home School VET Coordinator re costs. Also specific equipment or materials are required to be purchase. Please see detailed VET course information on our website ([www.nevo.sa.edu.au](http://www.nevo.sa.edu.au)) for more detail about these costs.

**WHO CAN I SPEAK TO ABOUT A NEVO VET COURSE?**

Please contact your VET Coordinator for more information.

For more information, go to [www.nevo.sa.edu.au](http://www.nevo.sa.edu.au)
AUTOMOTIVE

**CERTIFICATE II IN UNDERBODY SERVICING**
Automotive Underbody Servicing is a nationally recognised qualification in the Automotive Industry. You will undertake competency-based training in a number of vehicle underbody systems. Ranges of competencies are generic to a number of automotive trades. The program is balance of theory-based tasks linked to industry skills development tasks in a simulated workshop environment.
The Heights School, 1 year, Course RTO: tafeSA
Light Vechicle | Heavy Vehicle | Auto Electrical
Crash Repairs | Motorcycle Mechanic
SACE CREDITS: Stage 1 up to 20

BUSINESS

**CERTIFICATE II BUSINESS**
Develop skills to be a successful team member in an office environment. You will use a range of technologies and increase your communication and organisational skills while being involved in a virtual enterprise.
The Heights School, 1 year, Course RTO: Marden Senior College
Office Administration | I.T. Marketing | Book Keeping
SACE CREDITS: Stage 1 up to 40

CHILDREN’S SERVICES

**CERTIFICATE III CHILDREN’S SERVICES (PARTIAL)**
This course will give you a taste of the Child Care Industry and develop a range of skills that will assist you in both the workplace and to relate to children in everyday life. You will work on a range of activities which focus on communication with children, behaviour guidance, occupational health and safety, preparing nutritious foods, basic administration and an introduction to the importance of play.
Valley View Secondary School, 1 year (partial), full Certificate 2 years
Course RTO: Open Access College & Marden Senior College
Child care worker | Home care provider
Out-of-school hours worker | Nanny
SACE CREDITS: Stage 2 up to 110

COMMUNITY ACTIVITIES

**CERTIFICATE II COMMUNITY ACTIVITIES (PARTIAL)**
This course will offer you an introduction to the field of sport and recreation, personal training, fitness instruction and health nutrition. An integrated training system that provides theory, followed by hands on practical experience in every session.
Kildare College, 1 semester, Course RTO: tafeSA
Health & Fitness Industries
SACE CREDITS: stage 1 up to 10

CERTIFICATE II COMMUNITY SERVICES
There is an opportunity for you to gain experience in the industry through structured workplace learning in a community services field. This is your choice and can include child care, aged services, youth services, clerical support, patient services, disability services etc.
Kildare College, 1 year, Course RTO: tafeSA
Child & Youth Services | Aged Care Patient Services
SACE CREDITS: Stage 1 up to 35

CONSTRUCTION

**PRE-CONSTRUCTION – TRADE TASTER COURSE**
This 15 week course will provide students with CPC20111 units that will enable them to continue to the Certificate II in Construction and qualify for TGSS funding. This course provides an introduction to the construction industry, its culture, essential occupational health and safety requirements, the industrial and work organisation structure, communication skills, work planning, and basic use of tools and materials.
St Paul’s College, Grand Junction Trade Training Centre, 15 weeks
Course RTO: Marcellin Technical College
Carpentry & Joinery | Bricklaying Plastering/Rendering
Tiling | Painting | Electrotechnology
SACE CREDITS: Stage 1 up to 10

**CERTIFICATE I CONSTRUCTION (PLUMBING)**
You will undertake competency based training on and off the job in: OHSW, White Card, Manual Handling, First Aid, levelling, trench calculations, drain cleaning, copper tube work and workshop practices for the plumbing trade. This program provides the opportunity for you to experience first hand work in the plumbing industry while at school and to gain the base level qualification.
Banksia Park International High School, 1 year
Course RTO: Plumbing Industry Association of SA
Plumbing | Related Trades
SACE CREDITS: Stage 1 up to 40

**CERTIFICATE I CONSTRUCTION (DOORWAYS 2 CONSTRUCTION - D2C)**
This course provides an excellent opportunity for you to experience work in the building industry firsthand. It develops your industry accepted skills such as using hand and power tools, reading and interpreting drawing plans, handling construction materials and safe disposal of waste.
Windsor Gardens Vocational College, 1 year, Course RTO: tafeSA
Construction Industries | Brick laying
Carpentry | Tiling | General Construction
SACE CREDITS: Stage 1 up to 40
**CERTIFICATE I CONSTRUCTION (DOORWAYS 2 CONSTRUCTION - D2C)**

Learning includes working effectively and sustainably in the Construction Industry, planning, organising and carrying out workplace communication, measurements and calculations, a basic construction project, reading and interpreting plans, use of construction materials, tools and equipment, basic levelling and how to work safely in the Construction Industry.

Gleeson College, 1 year, Course RTO: Master Builders Association SA

- Carpenter
- Bricklayer
- Shop Fitter
- Joiner
- General Builder

**SACE CREDITS:** Stage 1 up to 40

**CERTIFICATE II CONSTRUCTION**

On successful completion of this pre-apprenticeship course you will have gained credits to enter your full apprenticeship in your chosen stream of construction. This certificate will also lead onto Certificate III in many of the building industry courses and will help you towards becoming an all-round tradesperson.

St Paul’s College, Grand Junction Trade Training Centre, 1 year, TGSS

- Carpenter
- Bricklayer
- Shop Fitter
- Joiner
- General Builder

**SACE CREDITS:** Stage 1 up to 40

**CERTIFICATE III CARPENTRY STAGE 2**

Build your career pathway towards your own business in the carpentry trade with Certificate III in Carpentry. GJTC carpentry teachers build your skills in all aspects of construction and essential knowledge of building regulations with Carpentry as prime focus. On successful completion of this course you will have gained credits to enter your full apprenticeship.

St Paul’s College, Grand Junction Trade Training Centre, 1 year, TGSS

- Carpenter
- General Builder
- Shop Fitter

**SACE CREDITS:** Stage 2 up to 30

**CERTIFICATE I RESOURCES AND INFRASTRUCTURE (DOORWAYS 2 CONSTRUCTION - D2C)**

Students will complete competencies and skills related to the civil construction industry. The skills are relevant to a range of areas under the umbrella of building and construction including unroofed construction, demolition, rail and road works, utilities construction, landscape construction and structural engineering.

Golden Grove High School, 1 year, Course RTO: tafeSA

- Civil Construction
- Landscape Construction
- Engineering
- Building and Construction

**SACE CREDITS:** Stage 1 up to 20

**CREATIVE INDUSTRIES**

**CERTIFICATE II CREATIVE INDUSTRIES (3D ANIMATION)**

In this course you will cover a range of options in the Creative Media Industries specialising in 3D animation. This course offers a good start to work in the areas of Games Production, CGI film and TV. You will learn how to produce 3D environments, light scenes and create animated productions.

Banksia Park International High School, 1 year, Course RTO: tafeSA

- Games Artists
- Screen and Media
- Interactive Digital Design
- Self Employment

**SACE CREDITS:** up to 25

**CERTIFICATE II CREATIVE INDUSTRIES (MEDIA & PUBLISHING)**

In the course you will cover a range of options in the Creative Media Industries, specialising in producing digital images, organising content for sound broadcasting, video production, publication and editing.

Windsor Gradens Vocational College, 1 year, Course RTO: tafeSA

- Screen & Media
- Interactive Digital Design
- Self-Employment

**SACE CREDITS:** Interactive Digital Design | Self-Employment

**SACE CREDITS:** Stage 1 up to 20

**ELECTRONICS**

**CERTIFICATE II ELECTRONICS**

You will complete competencies and skills related to the electro technology industry. The skills are relevant to a range of areas under the umbrella of electro technology including air conditioning, electrical, refrigeration, data communications, security systems, electronics and engineering, computer systems, instrumentation and plumbing.

Golden Grove High School, 1 year, Course RTO: tafeSA

- Refrigeration
- Air Conditioning
- Data Cabling
- Security Systems
- Electrical
- Electronics

**SACE CREDITS:** Stage 2 up to 50

**CERTIFICATE II ELECTROTECHNOLOGY**

The industry includes the installation, servicing, repair and maintenance of electrical and electronic equipment for industrial, commercial and domestic purposes. It comprises communications, distribution and transmission, electrical generation and computer data and communications cabling systems and Sustainable/Renewable Energies. The telecommunications and information technology aspects of the industry are becoming increasingly important as the knowledge economy alters the way businesses operate, as is Sustainable Energy Practices and Renewable Energies are on our environment.

St Paul’s College, Grand Junction Trade Training Centre, 2 years, TGSS

- Electrician
- Refrigeration Mechanic
- Air-conditioning Mechanic
- Telecommunications

**SACE CREDITS:** Stage 1 up to 50

**ENGINEERING**

**CERTIFICATE I ENGINEERING (SKILLED METALS)**

This course provides you with the opportunity to gain a base level qualification with industry accepted skills of workshop machinery, gas metal, arc welding, power tools, training and interpreting technical drawings.

Windsor Gradens Vocational College, 1 year, Course RTO: tafeSA

- Welding
- Fitting & Turning
- Metal Fabrications

**SACE CREDITS:** Stage 1 up to 20

**HAIRDRESSING**

**CERTIFICATE II HAIRDRESSING**

You will have an opportunity to complete competencies and skills preparing you for employment within the hairdressing industry. This is a highly practical program including grooming, deportment, communication, retail sales, reception duties and hairdressing.

Modbury High School, 1 year, Course RTO: Clip Joint Academy

- Hairdressing and other related areas

**SACE CREDITS:** Stage 1 up to 20
HOSPITALITY

CERTIFICATE II HOSPITALITY (KITCHEN OPERATIONS)
Hospitality is a growing industry, offering a diverse range of career and employment opportunities. This course provides the opportunity for students who are seeking employment in the hospitality industry. This course is suited to students who would like to become a Chef. The full qualification can be gained over 18 months. However, students can exit after 12 months with a Statement of Attainment (partial completion of Cert II).

Windsor Gardens Vocational College Café Parndendi, 1 year
Course RTO: tafeSA
Kitchens | Cafés | Restaurants | Function Centre
SACE CREDITS: Stage 1 up to 40

CERTIFICATE II HOSPITALITY (RESTAURANT OPERATIONS)
Hospitality is a growing industry, offering a diverse range of career and employment opportunities. This course provides the opportunity for students who are seeking employment in the hospitality industry and is suited to students who would like to become Front of House Waiters. The full qualification can be gained over 18 months. However, students can exit after 12 months with a Statement of Attainment (partial completion of Cert II).

Windsor Gardens Vocational College Café Parndendi, 1 year
Course RTO: tafeSA
Function Centre | Cafés | Restaurants
SACE CREDITS: Stage 1 up to 25

DRIVER EDUCATION

CERTIFICATE II DRIVER COMPETENCE
Kildare College has formed a partnership with Allan Miller Driving School to offer an innovative new driver education course which can allow students to learn to drive at school. This program combines practical driver training with road safety awareness and defensive driving knowledge to help students stay safer on the roads.

Kildare College, 1st Semester and/or 2nd Semester
Course RTO: Alan Miller Driving School
SACE CREDITS: Stage 1 up to 25

MAKE UP SERVICES

CERTIFICATE II MAKE UP SERVICES
This is an entry level program into the beauty industry. The course offers aspiring make-up artists the opportunity to learn the fundamental skills of various make-up applications and essential techniques of make-up artistry to allow them to work in a cosmetic retail environment or freelance work as a Make-up Artist.

Modbury High School, 1 year, Course RTO: Clip Joint Academy
Hairdressing | Beauty Salons & other related areas
SACE CREDITS: up to 60

SCIENCE

CERTIFICATE III LABORATORY SKILLS - PARTIAL
You will work towards being laboratory workers, assist scientists in the physical, chemical, biological or life sciences by collecting and preparing samples, carrying out experiments, making measurements with scientific equipment, recording results for critical analysis. It is a highly practical program delivered in a real industry environment.

Windsor Gardens Vocational College, 1 year, Course RTO: tafeSA
Function Centre | Cafés | Science Technicians | Life Scientists
Natural and Physical Science | Science Professional
SACE CREDITS: up to 20

SPORT AND RECREATION

CERTIFICATE II SPORT AND RECREATION
This course is project based and there is scope to focus on the sport of your choice. You will promote and organise sporting events in your chosen sport at selected venues including PE classes, Sports Days and lunchtime events. Work Experience within the industry is required.

Roma Mitchell Secondary College, 1 year, Course RTO: Sports SA
Event Management | Fitness Instructor
Sports Trainer | Coach | Sport Administration
SACE CREDITS: up to 20
