Job & Location Year Level
MILE END SOUTH

Full time apprenticeship opportunity for 2015
Certificate III in Engineering (Structural steel / first class welder)

An employer is looking for suitable Year 12 students who have done a VET Course in Engineering or had some work experience in this field. The attributes the employer would be looking for to be a successful Structural steel/First class welder are:

- Physically fit
- Must have a desire to be involved in the Engineering industry with recent experience (D2C / Work Placement / Pre Voc)
- Need’s to have a current driver’s license and a car
- Have self development in learning your trade and safe working methods
- Able to commence 2015

MILE END – (Indigenous only)

1 - 2 x Certificate III in Business (ASbT) Year 10 -11
1 day per week

Qantas are keen to recruit this year in the Customer Service Agent role. This recruitment would ideally close by early December so we can have successful candidates ready to commence work in the last week of school holidays in January. This is just so their training program won’t interrupt school classes. Training occurs in the trainees’ first week and runs for 5 consecutive days so it’s definitely best if we this can happen during school holidays!

ADELAIDE CBD – (Indigenous only)

1 x Certificate III in Business (ASbT) Year 10 – 11
1 day per week

Medibank Private is keen to recruit one school based trainee for the Adelaide CBD outlet. This is the first time Medibank Private has decided to be apart of the school based traineeship program. Great opportunity for the right person. Excellent mentoring support will be available to the student.
Norwood
1 x Real Estate – (ASbT) Year 10 -11
Certificate IV in Property Services (Agency)
2 days per week
Right person who wants to really work in this industry and advance within the real estate industry. Must want to work and you will be taught exceptional skills with selling, buying, displaying of properties. You will be trained with excellent staff, and the business would like you to grow with them. *(Current learners or P’s an advantage, but not necessary as the employer wants to make sure you will be able to attend work.)*

Norwood
1 x Business Administration – (ASbT) Year 10 -11
Certificate III in Business
2 days per week
Suitable person who wants to really work in this business administration industry. Will learn new admin skills, advantage to progress to a Cert IV level one completion of Cert III. Flexible working hours, negotiated between all involved.

**STILL AVAILABLE**

**ADELAIDE METRO**
2 X Certificate III in Roof Plumbing Year 12 only
PLEASE NOTE YOU MUST HAVE YOUR DRIVER’S LICENSE AND A CAR – IF YOU DO NOT HAVE THIS YOU WILL NOT BE CONSIDERED.
May start as school based – but then Full time apprenticeship
An opportunity exists for either current or last year’s D2C students to obtain an apprenticeship.

The attributes that the employer would be looking for to be a successful Roof Plumber are:

- Physically fit
- Must have a desire to be involved in Roof Plumbing with recent experience (D2C / Work Placement / Pre Voc)
- **Need’s to have a current driver’s license and a car**
- The employer is currently working on major projects in Adelaide
- Able to commence ASAP

Employer will be happy to sign as a School Based Apprentice to finish the current school year but must convert to full time next year. This is a unique opportunity to
learn a Heritage trade with James Henry Roofing working on such projects as the Adelaide Museum. There are 2 positions available.
